There is a likelihood of your inheriting family property as well. Your father will have had to pass through a crisis early in life. You enjoy working for everything you have, and you don't believe in accepting something for nothing. You are extremely independent.

As Saturn is the lord of the 4th house, even as a child, you will demonstrate your leadership capabilities. Friends and classmates will readily accept you as their leader. You may assume a position of group leadership. When you grow up, you will have the ability to govern, and may be a responsible administrator.

You may lose land through government acquisition or orders.

She will have firm opinions about who you should spend time with or do business with. But these exchanges will only occur because she has your best interests at heart, and therefore, try not to get irritated with her. She will be a good and true partner in all you undertake. The major point of disagreement at home could be the family budget and domestic expenses. Your close friends or family will be helpful in setting things right.

A person from the south could make an ideal partner for you.

Your partner may be tall and of medium complexion.

The Sun is in your 7th house. You will be handsome even in childhood. As you grow up, your looks and determination will appeal to both women and men. Others may think you proud or arrogant. You have to train yourself to be tolerant of others. You will wait before you decide on the woman you want to marry. You may have some domestic difficulties.

Mercury is in your 7th house. You will be a man of extraordinary abilities and skills. Women of all ages will develop an affection for you. You are gentle, polite, and strong-minded. You may even have a brief and unhappy early marriage. You will not get married until relatively late. The woman you finally choose will be a devoted and dutiful wife. You may move far away from the place of your birth.

Since Jupiter influences the Sun, your wife will probably be religious. She will give you good advice.
